*Chairman Millard advised that a meeting had taken place with Helen Portman and Councilor Edmond on 23<sup>rd</sup> June and a number of actions were agreed as follows:-*

- HP to chase up the speed and volume survey and look to have this installed in the next week or so prior to the summer holidays. If it is likely to go much into July it was suggested we wait until September to get a truer picture.*
- HP to establish whether Drayton Bassett are in line for the 20 is Plenty scheme for the road in front of the school.*
- HP to look for the plan of traffic calming measures that was done as a report some years ago.*
- HP offered to investigate whether we would be able to have some 30mph repeater signs in certain areas and whether the painting of chevrons would be a viable prospect.*
- HP to chase the installation of the speed indicator detector modules and again one will be placed on the existing post adjacent to the Village Club, while the other will be placed on the grass verge at the side of the first house into Moat Drive.*

*At the meeting it was also discussed whether the Parish Council would fund a second speed survey box at a cost of £200.00; one is to be located near the Village Club on Drayton Lane and the other further down in-between Church Close and Manor Drive.*

*Chairman Millard asked for agreement from the Councillors to purchase this. It was agreed to go ahead and this decision was unanimous.*

*As at 29/07/14 meeting, Chairman Millard confirmed he had contacted Helen Portman to give the go ahead for the second speed survey box.*

*Councillor Edmond asked the Councillors to consider donating a bench to be situated on the Middleton RSPB Reserve positioned within the Drayton Bassett boundaries overlooking the Village as most people who visit the Reserve believe it to be in Middleton, however, part of it is within the Drayton Bassett boundary. It was suggested that a plaque could be fixed to the bench with the words 'you are now facing Drayton Bassett' or something similar.*

*Councillor Hemus confirmed that he had spoken to his contact and had been advised that they do not encourage benches as they want visitors to walk around the Reserve but said he would consider it with further information.*

*It was agreed that Councillor Hemus would ask his contact, Nick, to contact Councillor Edmond to discuss in more detail.*

*At 23/09/14 meeting Councillor Edmond advised that no contact had been received from Councillor Hemus' contact and it was agreed that Councillor Edmond would take this forward.*

Parish Clerk

**Matters Arising from those Minutes cont ...****(14/697) Youth Councils (14/684)**

*Chairman Millard brought to the attention of the Councillors something that he had read recently in a magazine regarding the setting up of Youth Parish Councils who 'shadow' existing Parish Councils particularly looking at issues that affect the youth in the area and asked whether the Councillors felt this is something that we could pursue. There would be some extra work involved for everyone but it might be useful and engaging with young people for the better of the Village and in particular for the future membership of the full Parish Council.*

*Chairman Millard to circulate document to the Councillors to read and this will be discussed at the next meeting.*

*Chairman Millard confirmed he had sent a copy to District Councillor, Brian Yeates*

*Following a discussion it was agreed that Chairman Millard would publicise the possibility of setting up a Youth Council to gauge the interest of the 14+ age group of the Village. It was felt that the setting up of a Youth Council could help with future recruits for the full Council.*

Chairman

*Chairman Millard advised that he had spoken with the Scout Leader following the Remembrance Day service who was very supportive of the idea and would discuss it with other members of the Scout Group.*

*Councillor Potts suggested would there be any benefit in trying to get some interest for the initiative through the Tamworth Secondary Schools. Councillor Potts also suggested contacting other Parish Councils to see if they have any interest and if so perhaps a joint approach could be a way forward.*

*Chairman Millard advised that perhaps Brian Yeates could help with communication through his Parish Councils as he is the District Councillor.*

**(14/698) Felling of Trees (14/685)**

*Following circulation of the Tree Survey, Chairman Millard advised that we need to come up with a plan to carry out the suggested work over say a 6 – 12, 12 – 24 month etc timeframe.*

*At 25/11/14 meeting Chairman Millard advised that the inaugural meeting had now taken place. Three quotes received and circulated to all Councillors.*

*Chairman Millard advised that further details and method statements have been requested from the chosen two companies of the three sought. Now awaiting these details before progressing further.*

**Matters Arising from those Minutes cont ...****(14/699) Condition of Football Pitch and Future Maintenance (14/686)**

*Chairman Millard advised that after the July meeting Councillors Reynolds, Watkins and himself had inspected the Football Pitch and it was found that some maintenance work is needed.*

*Following a discussion, it was agreed that Councillor Watkins would look into possible funding opportunities to help with this and seek quotations to roll, spike etc the football pitch.*

Councillor  
Watkins

*Councillor Watkins to also contact the Football Team manager with a view to seeing how the Football Club and Parish Council can work together to improve the area.*

Councillor  
Watkins

*Following inspection of the Changing Rooms by the Councillors, they were found to be in a terrible state.*

*Chairman Millard advised that both himself and Councillor Edmonds met with Neil Turner and Sara Sleigh from Lichfield District Council to look at possible funding for the work needed to bring the football pitch up to standard, however, Councillor Millard reported that they felt that the pitch was not as bad as some they have seem.*

*Chairman Millard stated that from what Councillor Brian Yeates said, it seemed that they would be able to help us with funding but that wasn't the case. It appears that they would be willing to help us but the Parish Council would need to pay.*

*Chairman Millard advised that we were told that although they have seen pitches far worse than ours, our pitch needs spiking, rolling and sanding and they would arrange for a quote to be sent. They also identified that the goals are illegal due to the size and hooks on them and that grants are available but we would need to apply.*

*In terms of more than one team playing on the pitch, they felt that the condition of the pitch was good enough to have more than one team playing and advised that we could get between £600 - £700 per season in rent, and felt that as a Parish Council we shouldn't be giving it away free.*

*We were also advised that we could get a grant to refurbish the Changing Rooms but again we would need to apply.*

*Councillor Watkins suggested that we wait until we know how much we should be spending on a maintenance regime and then this will gauge how much we should be charging for the use of the pitch and changing rooms.*

*It was agreed that Councillor Watkins will make contact with Roger Cordell to advise that the Council are not happy with how the Changing Rooms are being looked after and to look at ways to improve the situation. It was agreed to invite Roger to a future meeting to agree a way forward.*

Councillor  
Watkins

*At 25/11/14 meeting, Councillor Watkins advised that no progress with funding had been made, however, he now has contact details to progress. Councillor Watkins waiting to hear from Roger Cordell on a convenient date for them to meet.*

*Councillor Watkins to report back at next meeting.*
